**For Immediate Release****The Inaugural Street-to-Class Fund Dinner**

When: Thursday December 14, 2017  
Where: Sarova Panafric Hotel, Nairobi  
Time: From 6 p.m. till late

**Nairobi, November 22, 2017** — Organization for Youth in Environmental and Educational Affairs (OFYENEDA) will on December 14, 2017 host its first fund dinner in a bid to raise money that will be geared towards enabling vulnerable children to access basic needs such as education.

The idea behind the event was based on our past projects that focused on sponsoring needy children based in the rural areas. This program seeks to address the same issues particularly on street children in the urban areas.

In attendance will be Turkish Ambassador to Kenya H.E Deniz Eke, Head of Co-Operative Bank Foundation Dora Waruiru among many other players in the corporate, community and civil society organizations. Part of the event card will be entertainment, gift distribution and a raffle competition.

“We expect to have about 400 people in attendance and raise Ksh. 500 million. With the funds, we intend to set up a centre where street children will be absorbed, provided with education and training.

“Additionally, the event will be a wonderful opportunity for different people to network and forge solid partnerships as we strive to bring positive change to society,” OFYENEDA secretary general Daniel Otieno said.

Tickets for the dinner retail at Ksh. 15,000 per person and Ksh. 100,000 per round table of 10.

ENDS

**About the company**

OFYENEDA is registered in Kenya as a non-governmental organization since 2008. Our main objective is to aid youth in acquiring education and provide members with skills in environmental management and life skills to enable them improve their living standards and that of communities around them.
